

## **Cycle 1 – Notes to put in your Foundations Guide under “Activities”**

Week 1-

Science- VanCleave's page 26

Fine Art- page 153

Week 2-

Science- VanCleave's page 30 & 31

Fine Art- page 153

Week 3-

Science- VanCleave's page 32

Fine Art- page 153

Week 4-

Science- VanCleave's page 34

Fine Art- page 154

Week 5-

Science- VanCleave's page 35

Fine Art- page 154

Week 6-

Science- VanCleave's page 36

Fine Art- page 154

Week 7-

Science Project- page 139

Tin Whistle- page 158

Week 8-

Science Project- page 139

Tin Whistle- page 161

Week 9-

Science Project- page 139-140

Tin Whistle- page 164

Week 10-

Science Project- page 139

Tin Whistle- page 168

Week 11-

Science Project- page 139-140

Tin Whistle- page 171

Week 12-

Science Project- page 139

Tin Whistle- page 173

Week 13-

Science Experiment- VanCleave's page 68 & 69

Great Artists- page 183 (Great Artist's page 12)

Week 14-

Science Experiment- VanCleave's page 70

Great Artists- page 183 (Great Artist's page 14)

Week 15-

Science Experiment- VanCleave's page 71

Great Artists- page 183 (Great Artist's page 16)

Week 16-

Science Experiment- VanCleave's page 72 & 73

Great Artists- page 183 (Great Artist's page 22)

Week 17-

Science Experiment- VanCleave's page 76

Great Artists- page 183 (Great Artist's page 24-25)

Week 18-

Science Experiment- VanCleave's page 77

Great Artists- page 183 (Great Artist's page 26)

Week 19-

Science Project - page 141

Orchestra- page

Week 20-

Science Project - page 141

Orchestra- page 186

Week 21-

Science Project - page 141

Orchestra- page 186

Week 22-

Science Project - page 141

Orchestra- page 186

Week 23-

Science Project - page 141

Orchestra- page 187

Week 24-

Science Project - page 141

Orchestra- page 187
